

# The Developers Group Meeting

1<sup>st</sup> floor of the Theodore Bullfrog pub (behind Charing Cross station)  
28 John Adam Street, Charing Cross, London WC2N 6HL

**Monday 19<sup>th</sup> January 2015 11.30 – 5.00**

**With leader Brian Long**

## Agenda

11:30	<b>Registration</b> (with tea, coffee and biscuits). You have the option of ordering and buying your lunch which then can be served in the meeting room.
12:00	<b>Welcome, News and Interactive Discussion – let’s talk about:</b> <ul style="list-style-type: none"><li>▪ The latest in Delphi, .NET, mobile development etc.</li><li>▪ Programming problems, solutions, questions</li><li>▪ The latest technical discoveries</li><li>▪ Tools – good and bad</li><li>▪ Future talk/speaker topics</li><li>▪ And anything else relevant to the group</li></ul>
1:00	<b>Nugget: Class Hierarchy for Dummies – Ian Murphy</b>  A short case study on implementing Class Inheritance in our Fault Monitoring System. Demonstrated via a plethora of label layouts.
2:00	Brief break for tea / coffee
2:15	<b>Nugget: Syntax Highlighting – Mark Jacobs</b>  The minefield that is syntax highlighting :- Determining viewports. Balancing text block size against speed of highlighting. Syntax highlighting routine – as fast and efficient as possible. When to trigger the routine. What events are covered and what are not (currently).
3:15	Break
3:30	<b>Discussion on – XE7</b>  Brian looks in more depth into some of the new features found in RAD Studio XE7 to save you from doing the research yourself.
5:00	Finish

Please book your place as soon as possible by contacting [jan@jac2.co.uk](mailto:jan@jac2.co.uk) later than Thursday 15<sup>th</sup> January. Attendance is free for DG members, £25 + VAT for guests.
